HP & MP

In role-playing games and even some card games, HP are hit points or health points, and MP are mana points or magic points. Losing all HP means your character faints or dies, and MP determines how many spells you can cast.

Flag

Arise is referring to the flag that the game displays when the player has made an irreversible decision that will impact the overall outcome of the game.

Final Fantasy

A series of console-based, fantasy RPGs (role-playing games).

My hands were shaking, even though it wasn't cold. In a small voice, I murmured, "I'm sorry, please come back," but it didn't come true because I'm not a magic user. The lesson was growing, and I couldn't pretend to be a bartender, as I wasn't wearing fur and I was out of both HP and MP."

Lovet's Magic Word is...

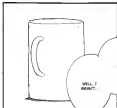

...I UNDERSTAND.

WELL, I
MAYBE...

...DO YOU THINK
I WAS DRUNK?

I DON'T UNDER-
STAND A
WORD.

I COULDN'T USE ANY
SELECTION MAGIC, SO
UNTIL A FLAG WENT UP
FOR RELATED EVENTS TO
PLANNED TO MEET, BUT
YOU'RE REALLY INTO THE
OUTDOORS, SO MY HP
WAS DECREASING...

*Like when
you're working...*

HUM?

CAN YOU
JUST SPIT
IT OUT?
THIS SIDE
OF YOU
REALLY
PISSES
ME OFF.

DO YOU
JUST SAY
SOMETHING
ABOUT A
FLAG?

I thought
the flags
had been
set...

IS THAT
MORE CLUE
THAN MY
DANGER?

RIGHT
THE HELL...

I WANTED TO
TELL SOMEBODY
BUT HE WAS NOT
GETTING ANY-
WHERE

I DON'T
KNOW ANY
ABBREVI-
ATIONS OUT-
SIDE OF "CD"
AND "LP"...

UP

My

Shugo

WELL,

REASONABLE

LAST NIGHT
HOW LET ME
BE MY SON.
IT HURTS

MAKES
YOU'RE A
REASONABLE
AND NOT
WHAT YOU
DESERVED

WELL, NOW
HEAR...

WELL, I AM SORRY
FOR JUST KISSING
YOU OUT OF NO-
WHERE, BUT KISSING
ME AND DRINKING
JUICE WASN'T COOL.

IS THERE ANYONE WHO WOULDN'T GET THE GUY WHO TRIED SOMETHING LIKE THAT IN THE CLUB 'KILLED'?

YOU REALLY GOT HIT. I HAD TO PUT A COMPRESS ON IT WHEN I GOT HOME. IT HURT SO MUCH.

...BUT I COULDN'T SLEEP.

rustle

THERE WASN'T ANYTHING I COULD DO BUT GO TO SLEEP.

I REALLY WANTED TO GET CLOSER WITHOUT IT.

EVEN
TODAY...

YOU'RE RIGHT, I'VE
OFTEN
FORGOTTEN THE
SAME THING

BUT
YOU SHOULD
COME WHEN I
SUMMON YOU...

I'M NOT
SAYING
IT'S YOUR
FAULT

I APOLOGIZE
FOR MAKING
YOU ANGER!

IS IT
MY FAULT??

YOUR HANDS
ARE SHAKING...

LAST
NIGHT...

CHUCKLE
GETTING COLD-
SIDE THIS TIME
OF YEAR...

YOU'RE
GOING TO
GET COLD

I WASN'T
COLD THEN.

BUT WHEN I GOT
HOME I COULDN'T
STOP SHAKING

I WASN'T COLD
LAST NIGHT WHEN
I WAS PLOTTING
AROUND IN THE
CLUB, DRINKING AND
PARTYING TO
BE A BERSERKER.

YOU KEPT
TALKING ME
I THOUGHT THAT
THE FLOOD WAS
FINALLY GOING

I JUST ABOUT YOU
WERE HORRIBLY
SOUND... AND
THAT WAS...

...IT WAS
OF FEELING...

BUT...

WHEN I KISSED
YOU YOU HAD ME
AND RUN AWAY?

YOU MY MUM,
AND MY DAD,
WERE PARTING...

I KNEW
I NEEDED
YOU, YOU I
WAS SCARED

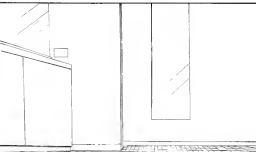

BUT WHEN
YOUR HAND TOUCHED
MY LIFE WAS
UNEXPECTEDLY
ALIVE

A really Bitch story. I surprised myself. I have to live where I pulled the story from. If anyone says it's not Bitch, be saddened by my lack of a Bitch brain.

I love it when a guy in glasses is smoldering like what are you wearing those glasses for? But what I love more than anything is a poor guy who is seen as "too no frills" "too simple" "too a dark personality" falling into an even more powerful position.

Summary of the Study

They're becoming close and far between lately but I end up watching all the UNO specials on TV

I had to draw character sketches, so I wondered about what to draw. What characteristics should they have? And when I wrote to my editor saying Williams had "beams eyes" and Kanye is "a man with an almost feral gaze that could be handsome or creepy," she just laughed... a little better laugh at me.

I used an Atari gaming throne, but my own gaming history ended with the Saturn Turbo. I haven't even touched phone games, that are all the rage lately. I have experienced other popular weapons like a PS2, which I thought

I grew up in Tokyo so when I'm told that people in Tokyo are gold, or that Tokyo is a dirty city, it makes me sad.

incidentally, this was a contribution to a "Special Uniform Issue" we had on the phone. "The most special issue of the uniform year," so I asked "So uniform, do you mean a uniform that you wear?" There was a slight pause, and then I was asked "Where do you are you a uniform?" This part is later confirmed as:

Chase: Uniform, you're wearing uniform, you're wearing uniform.

Because I drew my favorite movie. I got
really hungry while doing this one. Staring
too long at computers while looking for
food to draw made me even hungrier.

This was my contribution to a "Special from Issue" but in
reality, all I thought of was that "interesting artist". I also
completely forgot that "Idea" and "Appeal" are important
until my editor pointed it out. It was a kind of miracle
it just all came together.

There's a sleeping tree at my workplace as well,

I really wanted to draw a story
with random people thrown together
so this was really enjoyable for me.

When I am with friends, I can deal with
going to trendy cafes or even a cafe,
but if I'm alone, I prefer something more
warm and cozy. Also, I don't dislike going to coffee
shops at the local shopping district.
